Newly qualified adult nurse with acute medical and community placements

PROFILE

Adult nursing graduate with placements across acute medicine, surgery, community nursing and a care of the older person ward. Confident with patient assessment, medication administration under supervision, wound care and discharge planning. NMC registration due to complete in September 2025; seeking a preceptorship post on a medical ward.

EDUCATION

BSc (Hons) Adult Nursing, Sheffield Hallam University

First | Sheffield | Sep 2022 – Jul 2025

- Dissertation: preventing hospital-acquired pressure ulcers in older adults
- NMC registration expected Sep 2025

A-levels, Tapton Sixth Form

Biology (A), Psychology (B), English (B) | Sheffield | 2020 – 2022

EXPERIENCE

Student Nurse, Final Placement (Acute Medical Ward), NHS trust

Sheffield | Feb 2025 – May 2025

- Managed a bay of 4 to 6 patients under supervision, completing assessments, care plans and handovers.
- Administered oral, subcutaneous and IV medications under supervision, following the trust's medicines policy.
- Recognised and escalated a deteriorating patient using NEWS2, contributing to a timely medical review.
- Coordinated discharges with physiotherapists, social workers and families.

Student Nurse, Community Nursing Placement, NHS community nursing team

Sheffield | Oct 2024 – Dec 2024

- Carried out wound assessments and dressings in patients' homes under supervision.
- Supported patients with long-term conditions to manage their medication and recognise warning signs.

Healthcare Assistant (Bank), NHS trust

Sheffield | Jan 2023 – Present

- Work bank shifts across medical and surgical wards, providing personal care and recording observations.
- Support patients' nutrition and hydration and keep accurate fluid balance charts.

SKILLS

Patient assessment and care planning, Medication administration (supervised), NEWS2 and escalation, Wound care, Discharge planning, Infection prevention and control, Venepuncture and cannulation (competency in progress), Electronic patient records
