Second-year adult nursing student with acute and community placement experience

Profile

Second-year adult nursing student with placements on a surgical ward and in a GP practice. Experienced in personal care, observations and supporting patients' comfort and dignity. Looking for bank healthcare assistant shifts that fit around university and placements.

Education

BSc (Hons) Adult Nursing (Year 2), Coventry University

Coventry | Sep 2023 – Jul 2026

- Modules passed: Fundamentals of Nursing Care, Anatomy and Physiology, Pharmacology for Nursing

Access to Higher Education Diploma (Health Professions), City College Coventry

Distinction | Coventry | Sep 2022 – Jun 2023

Experience

Student Nurse, Surgical Ward Placement, NHS trust

Coventry | Jan 2025 – Mar 2025

- Recorded observations and escalated concerns to the supervising nurse using NEWS2.
- Provided pre- and post-operative care, including pain assessment and pressure area care, under supervision.
- Assisted with wound dressings and catheter care following aseptic technique.

Student Nurse, GP Practice Placement, GP practice

Coventry | Oct 2024 – Nov 2024

- Observed and supported practice nurses with immunisations, health checks and chronic disease reviews.
- Practised health promotion conversations about smoking and diet with patients.

Care Assistant (Part-time), Lindenfield Care Home

Coventry | Jun 2023 – Sep 2024

- Provided personal care and support at mealtimes for residents, including people living with dementia.
- Completed the Care Certificate and moving and handling training.

Skills
